

“The Children’s Home of York (CHOY), a 501 (c) (3) nonprofit organization, was founded in 1865 by area civic leaders to respond to the growing number of orphans as the result of the Civil War. Over the past 153 years, we have evolved to meet the changing needs of children and families and continue to improve our programs by utilizing best practices.

Today’s Children’s Home of York is a multi-faceted social service organization that serves our most vulnerable children, youth, and families throughout Pennsylvania. The Children’s Home is fully licensed and accredited by the Council on Accreditation (COA) as a provider of high quality services for children and their families. Our current programs include residential treatment facilities, including a Sanctuary Certified Girls’ Center; Bridges, an award-winning partial hospitalization program; an independent living program; prevention programs, and permanency programs (foster care and adoption).

Our mission: Children’s Home of York empowers children to thrive, strengthens families, and enriches communities.”

SMPS

The Society for Marketing Professional Services (SMPS) is a community of marketing and business development professionals working to secure profitable business relationships for their A/E/C companies. Through networking, business intelligence, and research, SMPS members gain a competitive advantage in positioning their firms successfully in the marketplace. SMPS offers members professional development, leadership opportunities, and marketing resources to advance their careers.

SMPS is the only organization dedicated to creating business opportunities in the A/E/C industry. Companies tap into a powerful national and regional network to form teams, secure business referrals and intelligence, and benchmark performance. SMPS was created in 1973 by a small group of professional services firm leaders who recognized the need to sharpen skills, pool resources, and work together to build their businesses.

Today, SMPS represents a dynamic network of 6,000+ marketing and business development professionals from architectural, engineering, planning, interior design, construction, and specialty consulting firms located throughout the United States and Canada. The Society and its chapters benefit from the support of 3,700 design and building firms, encompassing 80% of the Engineering News–Record Top 500 Design Firms and Top 400 Contractors.

SMPS’ mission is to advocate for, educate, and connect leaders in the building industry. SMPS’ vision is for premier professional service firms to recognize SMPS as their most trusted resource for building business and achieving success.
