

The Society for Marketing Professional Services (SMPS) is a community of marketing and business

development professionals working to secure profitable business relationships for their A/E/C companies. Through networking, business intelligence, and research, SMPS members gain a competitive advantage in positioning their firms successfully in the marketplace. SMPS offers members professional development, leadership opportunities, and marketing resources to advance their careers.

Today, SMPS represents a dynamic network of 7,000+ marketing and business development professionals from architectural, engineering, planning, interior design, construction, and specialty consulting firms located throughout the United States and Canada.

Community Action Partnership (CAP) is Lancaster County's largest

anti-poverty organization focused on economic mobility. CAP offers resources that interrupt generational poverty and support families at every age and place in life.

Knowing that poverty is complex and its contributing factors vary, CAP is committed to creating innovative, person-centered initiatives, including social enterprise businesses, to augment our many long-standing and successful anti-poverty programs that advance the social and economic mobility of families. CAP is person-centered, outcomes-based, data-driven, and focused on greater sector impact and systems change.
